

Our Practice

WELCOME

From the moment you enter our facility, you will find yourself in a special place where beauty and medicine have combined to create a totally unique experience. We are here to serve you both emotionally and physically, while we help you attain your personal objectives.

ABOUT OUR TEAM

MEDICAL DIRECTOR: Dr. Thomas Fiala is Board Certified in Plastic Surgery by both the American Board of Plastic Surgery and the Royal College of Physicians and Surgeons of Canada. He is a member of both ASPS and ASAPS, and specializes in aesthetic (cosmetic) surgery of the face, breast, and body. Dr. Fiala recommends the most appropriate cosmetic procedures designed to match patients' goals and aspirations. Throughout the process, his passion for detail is evident, bolstered by the notion that he is positively affecting people's lives. Although recognized as one of the area's preeminent plastic surgeons, Dr. Fiala finds the most satisfaction in seeing a patient's face light up with a smile when they see themselves for the first time after surgery.

INJECTION SPECIALIST: Our Certified Physician Assistant, Phi Nguyen, PA-C has extensive experience in the art of injections for facial rejuvenation. She has completed certifications, seminars and advanced training sessions for BOTOX® Cosmetic and all of the FDA approved fillers we offer. We specifically offer the widest variety of fillers available, including: Restylane®, Juvéderm®, Sculptra®, Radiesse®, Refyne™, Defyne™, Lyft™, Voluma®, Vollure®, Restylane Silk™ and more. Our facility is also a Platinum Level National Certified Botox Training Center and we are ranked in the top three providers for all of Central Florida. Phi also offers IPL photofacial treatments.

COOLSCULPTING®: Our Physician Assistant and Medical Aestheticians also are trained in treating patients with non-invasive fat removal and skin firming systems such as CoolSculpting and ThermiSmooth®.

SKIN CARE: Kim Peters and Debbie Safra, our Aestheticians, are well versed in the care, correction and maintenance of healthy, radiant skin. An Aesthetician's devotion is to teach us how to create healthy, beautiful skin, inside and out. Through education and experience, our Aestheticians can recognize and treat a multitude of skin care issues. We offer the best prescription strength product lines including OBAGI®, PCA Skin®, Jan Marini®, PrecisionMD, and more.

Our Practice

OUR CARING STAFF

The type of surgery and procedures that we perform require a strong bond of confidence and trust between the patient and provider. Our goal is to provide patients with the quality of care they deserve. Our team develops a close relationship with each and every patient making the experience pleasant, comfortable and personalized. We want every person that enters our office to feel like they are with family.

Having a competent and caring staff is the most important asset to any practice, especially a practice like ours where the staff deals with all aspects of a patient's care. We have many highly trained staff members, including Board Certified MD Anesthesiologists, ACLS trained nurses. In our medical spa, we have one of the best groups of mid-level service providers in the state. They all enjoy what they do, making our office a happy place to experience.

OUR FACILITY

We have an on-site state-of-the-art AAAASF certified surgery suite. It's like a small hospital. Patients are cared by a team of MD Anesthesiologists and surgical nurses that have extensive training and experience. The intimate environment allows our staff to get to know you personally and provide the highest level of care in a safe, comfortable and private setting.
